PRAISE FOR MICHAEL YON'S BATTLEFIELD REPORTING:

"He's fearless . . . provides a candid, soldier's-eye view . . . from the very unique perspective of being there with them for weeks and months at a time."

—General DAVID H. PETRAEUS,
commanding general,
Multi-National Force, Iraq

"Michael Yon provides first-hand, objective reporting at ground level of the war on terror in both Iraq and Afghanistan. . . . Yon's work is a 'must-read.'"

—General BARRY R.
McCAFFREY, USA (Ret.)

"Michael Yon's voice is the voice of the soldier, often unfazed by what he sees, mission-focused and battle-hardened. These guys don't scare easily and they never let up, and Michael tells the story from their point of view."

—BRIAN WILLIAMS,
anchor, *NBC NIGHTLY NEWS*

". . . rack[ed] up more time embedded with combat units than any other journalist."

—*THE NEW YORK TIMES*
